SUIT INSTITUTED FOR COLLECTION BACK TAXES

OFFICIALS VIGOROUSLY ENFOR-
CING LAW AGAINST TARDY
PROPERTY OWNERS

Suits have been filed by the district
attorney's office for the collection of
all delinquent taxes amounting to
more than \$100 for the year 1910. Tax-
es for 1910 became delinquent July 1,
last. The treasurer and collector's of-
fice soon will begin the preparation of
the list of delinquent taxes for 1910
which amount to less than \$100. As
soon as this list has been published,
according to law, a general suit for the
collection of such delinquent taxes
will be brought.

During the past two years a vast
amount of work has been done by the
treasurer and collector's office and the
district attorney's office in the col-
lection of delinquent taxes and the clear-
ing of the tax rolls of the long list of
delinquents that had been accumulat-
ing for several years. The county com-
missioners, the treasurer and the dis-
trict attorney are taking special pains
to make sure no further accumulation
of delinquent taxes is made on the
books. While engaged in collecting
taxes which have been unpaid for sev-
eral years these officials have taken
precautions to prevent each new year
from adding to the delinquent list.
They will continue to do so.

The territorial board of equalization
has instituted careful inquiries as to
the amount of taxes owed in the var-
ious counties of the territory. Mem-
bers of the board have made requests
of District Attorney Charles W. G.
Ward and the other district attorneys
of New Mexico for lists of the delin-
quent taxpayers in each county. These
are to be in the hands of the board at
its next meeting. Mr. Ward will fur-
nish the lists for San Miguel and Mora
counties. The work of collecting de-
linquent taxes in this district has been
prosecuted so vigorously that Mr.
Ward is of the belief that there will
be little delinquent property for him
to report by the time the board meets
again.
